Discover New Career Opportunities with New Found Gold!

We are Hiring

General Labourer – Hammerdown Project

At New Found Gold, we're on a mission to uncover the treasures hidden beneath the Earth's surface. As a leading gold exploration company with the Queensway Gold Project, as well as the recently acquired Hammerdown Operation, Pine Cove Operation and Nugget Pond Hydrometallurgical Gold Plant circuit, we combine cutting-edge technology with geological expertise to discover and develop world-class mineral resources. Our values—integrity, sustainability, and innovation—guide every step of our journey. The company is committed to responsible exploration and mining, leveraging strong infrastructure and a skilled local workforce in Newfoundland and Labrador.

The General Labourer reports to the Mine Manager and plays a vital role in maintaining a clean, safe, and organized work environment across office trailers and facilities at our Hammerdown Project site. The General Labourer engages in a variety of job tasks associated with the drilling, retrieving and processing of drill core. General Labourers perform and may be assigned to a variety of tasks and activities that require general labour skills including moving core, sample boxes, minor construction, site core movement, maintenance, housekeeping and other general labour activities as required.

As a General Labourer, you'll be part of a dynamic team. Your responsibilities will include:

- Assist with general site maintenance, including clearing debris, snow removal, and upkeep of work areas.
- Load, unload, and move materials and equipment as directed.
- Operate basic hand tools and small machinery safely.
- Support tradespeople and other team members with tasks as required.
- Follow all safety protocols and ensure compliance with company standards.
- Perform other related duties as assigned.
- Other related duties as required.

What You Bring to the Field:

- High School Diploma or equivalent; prior experience in labour or construction roles is an asset.
- Ability to perform physically demanding tasks, including lifting, bending, and working outdoors in varying weather conditions.
- Knowledge of basic hand tools and safe work practices.
- Strong work ethic and ability to work independently.
- Strong physical stamina for standing, walking, bending, and lifting.
- Ability to positively interact with co-workers and team members.
- Valid Class 5 driver's license and ability to work in remote site conditions with access to a personal vehicle for daily use.
- Able to work flexible hours as needed.

NEWFOUNDGOLD

TSX-V: NFG | NYSE-A: NFGC

Working Conditions:

- Heavy and repetitive lifting up 50lbs.
- Long periods of standing.
- Use of small equipment.
- Walking in uneven terrain.
- Temperatures/outside conditions – sometimes work in extreme heat/cold, inclement weather.

Benefits of this Opportunity:

We believe in rewarding our team for their hard work and dedication. Here's what you can expect:

- Competitive compensation
- Safety-first culture
- Adventure in some of the most geologically rich regions on Earth

The Terrain Ahead:

- Work Environment: Remote field sites, travel required, rugged terrain
- Employment Type: Casual, call in
- Location: King's Point, NL, Hammerdown Project.
- Posting Date: April 14, 2026
- Closing Date: April 21, 2026
